## About

The Bookmobile operates on a two-week rotating schedule, making stops at schools, senior housing, day care centers, playgrounds, and residential neighborhoods.

The Beverly Bookmobile has served the Beverly Community for more than 40 years and has something for everyone. Its collection includes large print books, adult fiction and nonfiction books, fiction and nonfiction books for children and teenagers, audiobooks, and magazines.

All you need to borrow from the Bookmobile is your regular library card. Materials borrowed from the Bookmobile may be returned to the regular libraries, and materials borrowed from the regular libraries may be returned to the Bookmobile. We also offer homebound deliveries.
